STUDENT-TEACHER-COURSE CONNECTION
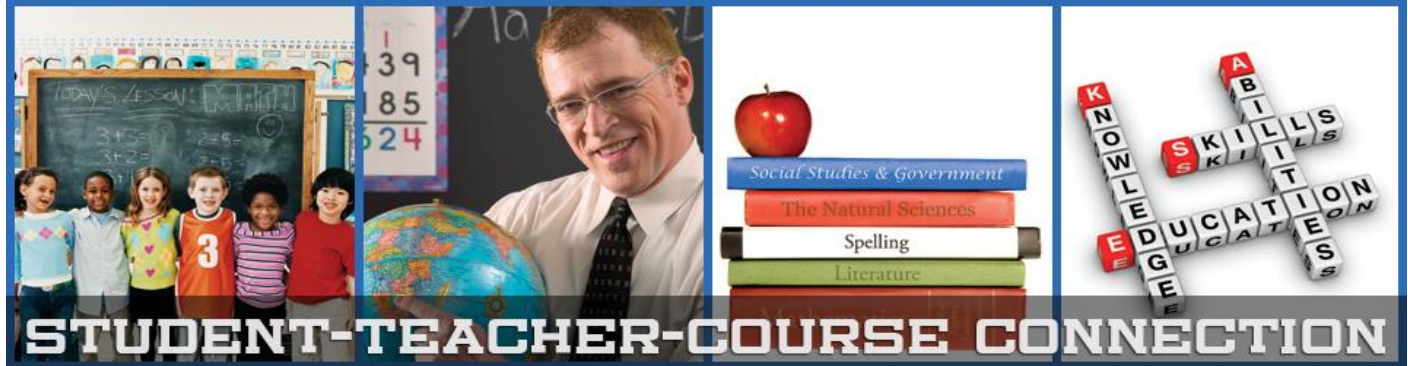

Teacher-of-Record Changes

Next year LEAs will be required to submit the Educator Stakeholder ID for all teachers except External Providers, Long Term Substitutes and Student Teachers. If you need assistance on how to find this ID number, please contact the STC Team.

Section IDs

Next year all LEAs will be required to submit the Section ID data element for all course sections. If you have any questions or concerns please contact us.

BOY Submission Window Open

LEAs have the opportunity to submit optional Beginning of Year (BOY) STC submissions starting on June 23rd. For more information please contact the STC Team.

STC 2013/14 Submission Windows

Fall Submissions Certified :   96%

Spring Submissions Certified: 81%

EOY Submissions: Many LEAs are already running trials. Remember you cannot certify your EOY until after your last day of school. EOY is due June 30th.

Reporting Grade Marks Earned

For this second year of the STC project, just a reminder that all grade marks earned must be reported for all grade levels where full or partial academic progress is achieved. If you have any questions, please contact us.

Your hard work on STC is coming to life this year in the form of AZDash! AZDash is a series of free, interactive, longitudinal reports that present views of student AIMS, Explore, ACT, etc. at the district, school and teacher level.   Please contact AELAS@azed.gov to learn how you can bring these dashboards to your educators and administrators.
